

SAFETY DATA SHEET

Product: Alreflex Coldbreak
Issue Number: 01
Issue Date: Aug 2014

1. Description

Low emissive, thermally insulating bubble foil for use in the construction industry.

2. Material Composition

Polyethylene bubble film, with coated aluminium foil on both sides.

Hazard Identification

Classification:	No Classification
Hazard Type:	Solid
Route of Exposure:	Not Applicable

Risks to Health from Identified Hazards

Alreflex Coldbreak is not classed as a hazardous substance under COSHH regulations.

4. First Aid Measures

No special measures required.

5. Fire-Fighting Measures

Suitable Extinguishing Material:	No Restrictions
Special Exposure Hazards:	Combustion will produce black, toxic fumes containing carbon monoxide, carbon dioxide and HCL gases.
Special Protective Equipment:	Use Breathing Apparatus with independent air supply.
Additional Information:	Soot production on burning. Fire residue and contaminated water to be disposed as per local regulations.

6. Accidental Release Measures

Take up mechanically.

7. Handling & Storage Instructions

Handling

No special measures required.

Storage

Keep away from direct sunlight.

8. Protection & Exposure Control

Exposure Control Measures

Not applicable.

Personal Protective Equipment

No special measures required.

9. Physical and chemical properties

Appearance: Polyethylene bubble with pure aluminium foil.

Colour: Silver aluminium.

Odour: Not applicable.

Solubility description: Not applicable.

10. Stability and Reactivity

Stability

Very good.

11. Toxicological Information

Alreflex 2L2 is non-toxic and is not irritating to the skin and eyes.

12. Ecological Information

Degradability

No information available.

Acute fish toxicity

No information available.

Water hazard classification

No information available.

13. Disposal of Substances and Contaminated Containers

As per local regulations.

14. Transport Information

There are no special regulations for this product.

15. Regulatory Information

Label for supply: None

Risk phrases: None

Safety phrases: None

16. Additional Information

The information and data in this document are believed to be accurate and have been compiled from sources believed to be reliable. It is offered for consideration, investigation and verification. The buyer assumes all risk of use, storage and handling in compliance with applicable laws and regulations. The company makes no warrant of any kind, express or implied, concerning the accuracy or completeness of the information and data provided in this document. The company will not be liable for claims relating to any parties use of or reliance on information and data contained in this document regardless of whether it is claimed that the information and data are accurate, inaccurate, incomplete or otherwise misleading. All materials may present unknown hazards and should be used with caution. Although certain hazards are described in this document, we cannot guarantee that these are the only hazards that exist.
